Sep 2019 – Aug 2020
Raipur, India

- Developed and maintained interactive web pages using JavaScript, HTML, and CSS.
- Created cross-platform solutions by integrating diverse backend services and third-party APIs.
- Implemented a version control system, improving team collaboration and code quality.

🎓 EDUCATION

Bachelor of Engineering
Chhatrapati Shivaji Institute of Technology, Durg

2015 – 2019
Durg, India

🧠 TECHNICAL SKILLS

Programming Languages
- PHP
- JavaScript

Frontend Development
- HTML, CSS, Bootstrap
- jQuery & Ajax
- React (Basics)

Version Control
- Git
- GitHub, GitLab
- CI/CD

Backend Development
- Laravel
- RESTful API
- NodeJS

Database Management
- MySQL
- PostgreSQL
- MongoDB (Basics)

Testing & Debugging
- PHPUnit
- Postman

📂 PROJECTS

Survey Reporting Platform
2021 – present

Tech Stack: Laravel, AngularJS, PostgreSQL, RESTful APIs

- A **comprehensive survey and reporting platform** designed for businesses to gather employee/customer feedback, analyze responses, and generate real-time reports.
- The system enables organizations to improve decision-making by providing **actionable insights from survey data**.

I-Care University Management
2020 – 2020

Tech Stack: PHP (Laravel/Core PHP), MySQL, JavaScript

- A **university management system** designed to digitize academic workflows including student enrollment, faculty coordination, course management, and exam results.
- Streamlined operations for an institution of **5,000+ students**, reducing manual workloads and improving administrative transparency.

Online Assessment Platform
2019 – 2020

Tech Stack: Laravel, JavaScript, MySQL

- A secure o**nline examination solution** for institutions and corporates, offering automated test creation, scheduling, proctoring, and real-time result analytics.
- The platform enables efficient test creation, proctoring, and instant result analysis for educational and corporate training.

🏅 AWARDS

Key Contributor of GPIT
2024

Recognized for solving **complex technical issues** and timely project completion.

Assisted Online Exam for CHIPS
2019

Successfully led **online exam** implementation with zero downtime.

🥧 SOFT SKILLS

- Root Cause Analysis
- Leadership & Mentorship

- Teamwork & Collaboration
- Resilience & Continuous Learning
